NO BOUNDARIES

Infinite. Perpetual. Boundless. These words all have a similiar meaning — continuation without limits. When we think of concepts that are infinite, perpetual, and boundless, our minds become somewhat confused. Continuous numbers, the limitless space of the universe, and eternity — all leave us with a feeling of awe and wonder. The love of God is also an infinite wonder, but this love is incomparable with other infinite entities. The love that only God can possess has no boundaries. It extends to everypart of God's creation to all types of people. It does not differentiate between individuals. God's love extends to people all over the world. From the microscopic embryo of an unborn child to the aged person, God's love extends. Whether Democrat or Republican, conservative or liberal, God's love shows no distinction. It doesn't matter who we are or what we have done, God's love remains the same. There are ***NO BOUNDARIES*** to the love of God.

NATIONALITY

God's love is not measured by national boundaries. TNC has representatives from countries all over the world. In the faces of these people we see that His love is touching the lives of people that are from different places: Jamaica, Panama, Trinidad, South Africa, Syria, Sweden, Nigeria, Kuwait. These countries give us evidence that nationality places NO BOUNDARIES to the Love of God.

AGE

Trevecca's campus is a place that exemplifies the love that is known to all ages. Kinderhaus, Trevecca Towers, and the Health Care Center bring TNC's campus together to form a unified appreciation for all ages. Through these endeavors, the community is aware that age places *no boundaries* on the love of God.

IDEAS

For the 4.7 billion people in the world, there are 4.7 billion ideas. Each person sees the world through his own eyes and expresses his ideas through what he perceives. Although there are numerous ideas that man possesses, there is only one love that God gives to each person in the world. Man's ideas place no boundaries on God's love.

WORTH

God's love is not based on who we are, where we've been, or what we've done. Paul gives us an example of this in Philippians 3:7-10.

"But whatever things were gain to me, those things I have counted as loss for the sake of Christ. More than that, I count all things to be loss in view of the surpassing value of knowing Christ Jesus my Lord, for whom I have suffered the loss of all things, and count them but rubbish in order that I may gain Christ, and may be found in Him, not having a righteousness of my own dervied from the Law, but that which is through faith in Christ, the rightousness which comes from God on the basis of faith, that I may know Him." 1986 DARDA DEDICATION

Mrs. Wilma Gallup

Mrs. Wilma Gallup and Mrs. Jan Adamson

Mrs. Gallup takes Alan Messenger's temperature.

Not only are there no boundaries in connection with the love of God, there are also no boundaries in connection with many staff, administrators, and faculty members. One such lady, *Mrs. Wilma Gallup,* has had dedication that has known no boundaries. Even while receiving calls at all times of the day and night, she has kept her loving attitude and willingness to help.

When we asked students, facility and administrators how they would describe Mrs. Gallup, we received simliar report. One report from a student stated that Mrs. Gallup was "One of the most caring, understanding, and compassionate ladies on campus. Jesus can be seen through her hard work and caring ways."

It is with much love and gratitude that we, the *Darda* staff, dedicate the 1986 *Darda* to ***Mrs. Wilma Gallup.***

Student Life

Mylon LeFevre. Leslie Phillips and Randy Stonehill. Moody Gunter. Metropolitan Choir. Student speakers. Films. Club Rush. Variety Show. Twirp Dates. All these and much more are examples of the ongoing chain of events on the campus of TNC. Each event adds a new perspective to the composition of TNC. There are *no boundries* to the fun TNC students can have.

ALL STUDENT MIXER

The people that attended the All Student Mixer had a great time. The night was a big success with lots of games and almost everyone participating. Snacks were also available and everybody participated there. If you missed the mixer, you missed an experience.

CHURCH RUSH

Church Rush is a time when churches in the Nashville area come to campus in an effort to promote their church. Church representatives pass out food, drinks, pamplets and Bibles. This is an excellent opportunity for students to see what various churches have to offer to help them choose a church in the area.

FALL RETREAT

The guest speaker for Fall Retreat was Stephen Wesley Bridgewater, WLAC-FM announcer, and music was provided by Mitch Rayburn. The group sessions were very lively with the theme being the struggles a Christian faces. Bridgewater shared some of his experiences both before and after he became a Christian. All participants in the retreat had an opportunity to become closer during a sharing time on Friday night. God's handiwork was evident in the beautiful surroundings of the Tennessee District campground.

BILLY CROCKET

The Billy Crocket Concert was both exciting and inspiration. The evening started off with Billy's Mexican act and of course with the famous Mexican sombrero — all which got the crowd on their feet. Billy Crocket performed many of his hit singles — some included were "Love Waiting", "He is the Wind", and of course, "Carrier". The concert ended with many tears, as well as laughter, while Billy Crocket captured the hearts of all T.N.C. students.

RANDY STONEHILL AND LESLIE PHILLIPS

The Randy Stonehill and Leslie Phillips concert was very entertaining and spiritually rewarding. They sang many of their famous songs and got the crowd on their feet. A great time was enjoyed by all worshiping together and praising God. It was a tremendous spiritual renewal for the crowd.

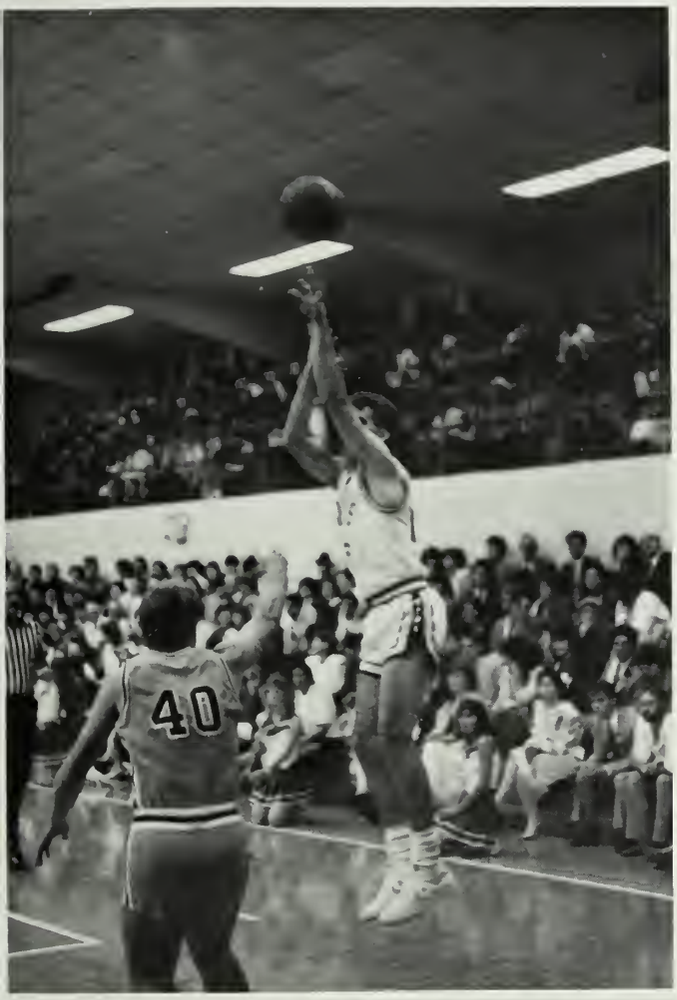
HOMECOMING PARADE

On the afternoon of the big game, the Homecoming parade took place. All the Trevecca clubs, organizations, and classes showed their spirit for the Trojan basketball team by placing floats and cars in the parade line-up. The parade gave a boost to the basket-ball players and the students for the game that night.

TREVECCA VS. PIEDMONT



The Homecoming game was held on November 16. We played Piedmont College. The Trojans showed their best and we came out on top with our first win of the season. The stands were packed with students, celebrating Trevecca's Heritage Week.

SIX DAYS OF PRAISE

Six Days of Praise was sponsored by WNAZ to help raise money for new equipment. Many singers and entertainers donated their time to this event. Such people as Scott Wesley Brown, Pete Carlson, Bobby Michaels, Michael Card, Scott Rowley, Angie Lewis, Geoff Moore and many others were willing to help in the continuation of WNAZ.

VALENTINE'S BANQUET

The Valentine Banquet was a special event to all those that participated. This year's banquet was held at the Radisson Plaza Hotel in downtown Nashville. The formal event featured an excellent meal prepared by the Radisson chefs served in the Radisson's main ballroom. For entertainment, the sophomore class sponsored Kenny Marks in concert. Both the banquet and the concert were a memorable experience.

SUZANNE DIFFENDERFER 1986 VALENTINES QUEEN

Winning the honor of Valentine Queen, Suzanne Diffenderfer along with nine other girls that were chosen to represent their class experienced all the nervousness, joy, and excitement associated with being in a pageant. The theme was *We've Got Tonight.* Master of Ceremonies was Don Garrison. We congratulate Suzanne for being chosen queen and Danelle Hyde along with the Sophomore Class Officers for making this a splendid event.

TRICK OR TREAT

Although TNC's students are a bit over the age of ghosts and gobblins of Halloween, once a year they revert back just for fun's sake. This year provided new costumes and excitement for those brave enough to venture into the halls of unknown dorms.

THANKSGIVING GALA

The Thanksgiving Gala was held in the cafeteria on November 23. It was sponsored by the Freshmen class. The evening turned out very special with talented performances by the Freshmen. President Homer Adams gave an inspirational talk and Bill Sinclair was honored for his many years of service. The event gave everyone a last chance to come together as a school before Christmas break. All the students, faculty, and administration left that night with a thankful heart and a full stomach.

ATHLETICS

As has been proven in the past history of Trevecca sports, there are *no boundaries* to the achievement that our sports program can attain. Varsity sports, such as tennis, basketball, volleyball and baseball, provide spectator fun and excitement. Intramural sports such as football, basketball, volleyball, volleyball, racquetball, provide a chance for involvement and society competition. These programs are proving that there are no boundaries to the excitement that can be generated and involvement that can be provided.

Faculty And Administration

Sleeping overnight in Tidwell to teach classes on a snowy morning, hours burning the midnight oil to grade papers, developing projects and programs to enhance student growth, counseling sessions that take away time from the busy schedules. All of this and more are descriptive of the dedication that faculty and administrators show. There are *no boundaries* to the services our faculty and administrators are willing to provide.

Dr. Quiggins ended almost ten years of service to Trevecca this past fall. He graduated from Trevecca in 1971 with a B.A. He then earned an M.S. at Illinois State University in 1972. In 1976 Quiggins earned his Ph.D. from the University of Kansas and came to work as a communications professor at Trevecca.

Dr. Quiggins has been an integral part of the Trevecca community and has put into reality, in perhaps a new sense, a phrase he has often been heard saying, "Words don't have meaning, people do." The caring attitude and the concern for students which Dr. Quiggins possesses is very attractive to his students. He has had meaning for most of the people at Trevecca and the "Trevecca Experience" wouldn't have been the same for them without him. Attendance at the Jim Quiggins Day chapel service showed in some way the deep respect and love the people of Trevecca have for this wonderful man of God.

Classes

At first glance the multitude of students that pass through these classes appear to be normal students. At further glance one can see that although these are normal students, no two students are alike. Each student is reaching and pursuing different goals. These goals place no boundaries to the student but extend insight and imagination to the highest potential that they can dare to achieve. Who knows? Out of the pages of faces that follow what each individual will become. There are no *boundaries* to what each individual is capable of achieving.

EDITORS NOTE

Dear Friends,

Thank you so much for allowing me the privilege of serving as your *Darda* editor for another year. I think back over the past two years, and I see how much growth we have experienced, how our insights have expanded, and the closeness we have developed. There are surely *no boundaries* to what we can accomplish or goals we can achieve.

Now as we stand with another year of our college experience completed, we can look and see all our successes and failures, fun times and sad times, friendships gained and lost. I hope that in the process of looking back, each of us will evaluate those experiences and hold them close to our hearts never to let them become lost in our repertoire of memories. I hope that each glance of every page in this book will retrieve a memory that will live forever in our minds.

In closing, I would like to say thanks to all those special people that gave of themselves to the publication of this yearbook. To Mrs. Carol Eby, thank you so much for your patience and gentle guidance. To Steve Perry and Carl Eby, thank you for your prompt attention to last minute picture deadlines. To Carol Sue Nix and Betty Ritchie, thank you for putting up with my continual pleading for you to identify pictures. Last, but definitely not least, thanks to my staff and others that assisted to pull us through rushed deadlines. I could not have done it without you!! Each one of these people have made this yearbook what it is to you.

Thank you again for a great year. "Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go." — Joshua 1:9 (NIV)

I Love You,

Beverli Lindsey
